

INTRODUCTORY FISHERIES SCIENCE FOR STAKEHOLDERS (IFISSH)

Rutgers Cooperative Extension (RCE) is hosting our **Introductory Fisheries Science for Stakeholders (IFISSH)** course again in 2019.

The objective of this course is to educate stakeholders of New Jersey's commercial and recreational fisheries so that they will better understand and make progress on issues impacting their industries, including the science, management, and responsible stewardship of fishery resources.

See reverse of flyer for schedule, course topics, and confirmed speakers.

This course is open to all who are interested and will meet every Tuesday from **Jan. 29 – Apr. 2, 2019** during the evenings (**6:30–8:30 PM**) at the RCE of Ocean County in Toms River, NJ (1623 Whitesville Rd).

This will be a **“HyFlex” course**. All sessions will be **broadcasted live via webinar** for **participation in-class or remotely**.

Cost: \$60.00/person | Register before January 22, 2019 by contacting:
Kelly Jurgensen, Administrative Assistant, Marine Extension Program
kjurgensen@co.ocean.nj.us | 732-349-1152

For more information, please contact:

Douglas Zemeckis, Ph.D. | County Agent III (Asst. Prof.)
Dept. of Agriculture and Natural Resources, Rutgers University
zemeckis@njaes.rutgers.edu | 732-349-1152
